Please give them your full support and remember them in your prayers.

SUNDAY SEPTEMBER 27th

is our annual HARVEST for OPERATION SUNSHINE !

Once again we ask everyone who comes to the 10am service to bring something for the people of Africa eg soap, candles, pots, pans, stationery, tools, knitted jumpers and blankets, etc etcthe list is endless and can be found by the Blue Box in the Church if you want some suggestions!!

Be assured that everything is appreciated and used - even the container itself!! Last year we had a fantastic display of goods which was taken to Hurdwick Farm ready to join all the other items from the Tavistock area to be packed on to a container. We think times are hard for us in a recession - but in comparison to the little these people have we are richly blessed ! **So please give as much as you can.**

*Worship
With Us*

September 27th is also designated as "BACK TO CHURCH SUNDAY" when those who attend church invite someone who doesn't to come to a service.

A Harvest sing along is just what they need!! But please do not let them feel left out as they see others bringing a gift for Operation Sunshine !!

After the service there will be a Church Lunch in the Lower Deck Hall. Please sign the list in the Vestry if you would like to come - and don't forget to include your invited guests!

OPERATION SUNSHINE regularly hold events to raise money for the containers which cost several thousand pounds. News from Africa and what other supporters in the area are doing can be found in the quarterly newsletter. There is usually a copy in the Church or you can view it online at www.opsunshinesouthwest.com

On **MONDAY OCTOBER 5th** there will be a one day training course on **FOOD SAFETY** led by Mr Pat Marshall .

This course is a whole day - 9:00am - 5:00pm , including a multiple choice question paper.

It will be held in the Church Vestry.

The course is broken down into 10 sections with students being involved in exercises and answering example examination questions. Each candidate is issued with a book to take away so as to avoid the need for note taking.

This is a new training programme and so the numbers are limited to 6 people in order to "try it out" !

Revd Phyllis is collecting names so if you are interested and would like more details, please contact her (855731).

If the course is already full , and Pat finds it successful, then he will run more courses in the future.
