GOOSE FAIR 2007

“What a happy day!” This was the comment heard most often from many people who helped with the URC’s contribution to Goose Fair. The weather was perfect - although if it had been a little colder we could have sold more hot soup!!!

THANK YOU to EVERYONE who organised / shopped / came / donated / set out tables / sorted and priced bric a brac / baked / made sandwiches or soup / cooked / served / cleared away / washed up / cleaned the toilets / swept floors / vacuumed carpets etc etc not forgetting Ginsters for generously donating 144 pasties!

After expenses were deducted the amount raised was as follows.....

Lower Deck Café	-	£573.80p
Vestry Café	-	£119.96p
Bric a Brac	-	£281.90p
		<hr/>
		£975.66p

Under the will (1674) of NICHOLAS WATTS a sum of money was invested - the income from which - £56.52p - is allocated each year by the Watts Charity to a different place of worship within Tavistock. This year is the turn of Tavistock United Reformed Church. It was the wish of Nicholas Watts that the money be used for purchase of Books of Divinity.

CHRISTMAS POINSETTIAS IN THE CHURCH.

The poinsettia plants bought last Christmas from Tavistock Pannier Market were much admired and greatly appreciated by those lucky enough to receive one at the Christmas Day Lunch.

We would like to do the same this year and so if you would like to make a donation towards the cost of a plant please give it to Rev Rog by **Sunday November 25th** so that we can get them for Advent Sunday. Thank you !

11th : Mrs Stella Rasdall

18th : Mrs Anne Snook

25th : Mrs Isobel Houldin

NB the Church is in use from 12:30 - 3:30pm every Friday in November

As fresh flowers at this time of year are quite expensive, Church flowers for December ie Advent & Christmas will be poinsettia plants around the windowsills and Sue will do a silk flower arrangement on the shelf. However if anyone wishes to provide a fresh flower arrangement for the Communion Table, please sign the flower list as usual! Thank you.

Every Christmas time we put out an appeal for gifts to the Church of cleaning materials. This year, with the premises in use every day of the week stocks are running low, and so we are appealing a bit earlier than usual!! Our particular plea is for loo rolls and toilet cleaner, black dustbin bags with tie handles , swing bin liners with tie handles , Fairy washing up liquid ,J cloths & Bounty kitchen roll. THANK YOU!

Thanks to Sabrina for cleaning the Lower Deck each week and to the rota of cleaners who keep the Church looking good.

MAKE A NOTE OF THESE DATES IN YOUR DIARIES!!!

Vision4Life

Transforming the church

WHAT IS Vision4Life?

- A further phase of the United Reformed Church's 'CATCH THE VISION' process
- A four-year process offered for development in each local United Reformed Church
- Self-refreshment of each church's engagement with the Bible, prayer & evangelism
- Materials & support from denomination & synods to enable local design & development

HOW HAS IT COME ABOUT?

A consultation group on spirituality and evangelism, with members from across the URC's theological spectrum, found a shared excitement about new approaches to the Bible that include the whole people of God in the task of interpretation. We believe every URC could use these approaches to seek fresh, enabling engagement with the Bible. We can picture whole congregations developing their skills of storytelling, listening and conversation in ways that ought to connect the ancient texts with their current situation and stimulate a new confidence in who we are and what we believe. We wondered whether the same range of faith-telling skills, might enable the renewal and strengthening of each church's shared 'tent of beliefs' if also used in support of prayer and evangelism. Might this be how our churches could renew their vision for life? Might we all then bring these skills to 'big tent believing' - being a diverse, lively, interactive denomination ready to speak & act & attract fresh generations of diverse believers?

WHAT WOULD IT MEAN FOR A LOCAL CHURCH?

Each congregation is invited to set up four conversations between May & August '08 to explore 'the big picture' and their own local story with regards to: 1. The future of the church; 2. The effectiveness of the Bible in their church; 3. The role prayer plays in the life of their church and its members/adherents; 4. Their preparedness to talk about their faith to each other and to outsiders. After these conversations each participating church will then decide whether they wish to commit to developing (with a lot of shared materials and support) their own 3-year programme to renew their engagement with The Bible, with Prayer and for Evangelism.

THE PROJECTED TIMETABLE...
